Drink Bottle Fundraiser - Individual Order form

Are you tired of re-writing names on drink bottles, or replacing name labels?

Welcome to the Drink Bottle Fundraiser... a great way to help raise money for your organisation while buying fully personalised drink bottles.

The names and images are laser engraved so they cannot rub or scratch off and the bottles are 100% BPA-free Stainless Steel. They are available in 6 great colours and 2 sizes (500mL and 740mL).

Now all you need to do is choose the size, colour and the image (or your organisation's logo) you would like on your bottle and complete the order form below.

Remember your school, club or organisation earns \$5 profit per bottle so why not think about any upcoming birthday or Christmas presents as well.

Small (500mL) - \$18

Large (740mL) - \$20

\$5 per bottle goes to your organisation

Please note - Adding Surnames to the bottle costs an addition \$1
