

'Wombat Stew'

Kindy Green has been learning about Australian animals. One of our favourite stories was 'Wombat Stew' by Marcia Vaughan. After we read the story we were inspired to make our own wombat stew. We found some ingredients like gumnuts, sticks, sand and leaves. We read the recipe, counted, measured and mixed the ingredients and then tasted our stew. Some tasted delicious and others not so tasty. It was great fun making our own Wombat Stew.
