

# OUR BUDDIES

**Room 4** have buddied up with Miss Robinson's amazing Year 6's. We started our buddy journey by working on All About Me booklets. Our buddies have also helped us each week with choosing a library book and reading it with us. Now that we have got to know each other better we are enjoying some Coding and STEM activities together. We can't wait to do many more fun activities together over the year.

**Room 5** have buddied up with the wonderful Year 6's in Mrs Smiths class. The students have been learning how to write letters introducing and describing themselves to their buddies. We were all super excited when our buddies replied to our letters. We are forming friendships and plan on continuing many more exciting projects this year.
